## MIA Victoria PET appointment

Date \_\_\_\_\_ Time \_\_\_\_\_

## Before the PET Scan

We reserve the right to charge you for the cost of ordering the radiotracer and loss of using this injection if you do not follow your instructions or cancel your appointment at the last minute. The injection is made up overnight and delivered each day. It has a short life and cannot be re-used at such short notice. This cost is \$400. Please notify the PET centre within 24 hours prior to your appointment time if you are unable to attend or wish to re-schedule.

## For claustrophobic patients

If patients are claustrophobic we recommend they obtain an oral sedative from their GP which they will need to bring with them on the day of their appointment so we can administer it before the scan.

You will not be able to drive home. Please arrange for someone to accompany/drive you home. **ONLY** claustrophobic patients who have been sedated **WILL NOT** be able to drive home.

- If you are diabetic please contact the department for further instructions.
- If you take any medications during the day please bring them with you on the day of your appointment.

- **DO NOT HAVE ANY COUGH LOLLIES OR COUGH SYRUP FROM MIDNIGHT.**
- If you are an overseas visitor please contact the department for your out of pocket expense for the scan which is to be paid in full on the day.

## For female patients

**If there is a possibility that you may be pregnant please contact the department immediately.**

If you are breastfeeding please contact the department for further instructions.

**If someone is to accompany you to this appointment please ensure that they are NOT pregnant.**

**Young children are advised NOT to attend this appointment.**
